Re: *Adrea, LLC v. Amazon.com, Inc.*, Case No. 10-600-ER (D. Del.)

Dear Special Master Bechtle:

Adrea writes to request an extension of time with respect to briefing on Adrea's reply in support of its Motion to Strike Amazon's Belated Non-Infringement Contentions (D.I. 363) and opposition to Amazon's Conditional Cross Motion to Limit Validity Contentions (D.I. 389).

Adrea's reply and opposition is presently due September 23, 2011. Adrea requests a five business day extension of that due date to September 30, 2011. Adrea has conferred with Amazon, which does not oppose this request. Adrea also agrees that, should Amazon need an extension of time (commensurate with the amount of time Adrea has sought beyond the original due date of its reply and opposition) to prepare Amazon's reply to Adrea's opposition, Adrea will not oppose such an extension.

Adrea makes the foregoing request in the belief that the brief extensions requested above will allow more careful and efficient presentation of the issues for Your Honor's consideration.

Respectfully submitted,

/s/Patrick J. Zhang
